CAPTAIN MARVEL (12A)

Set in 1995, Captain Marvel follows Carol Danvers, a former U.S. Air Force fighter pilot, as she turns into one of the galaxy's mightiest heroes and joins Starforce, an elite Kree military team, before returning home with questions about her past and identity when Earth is caught in the centre of a galactic conflict between two alien worlds.

FISHERMAN'S FRIENDS (12A)

A fast-living, cynical London music executive (Danny Mays) heads to a remote Cornish village on a stag weekend where he's pranked by his boss (Noel Clarke) into trying to sign a group of shanty singing fishermen (led by James Purefoy). He becomes the ultimate 'fish out of water' as he struggles to gain the respect or enthusiasm of the unlikely boy band and their families (including Tuppence Middleton) who value friendship and community over fame and fortune.

MAIDEN (12A)

Maiden is the inspirational story of how Tracy Edwards, a 24-year-old cook on charter boats, became the skipper of the first ever all-female crew to enter the Whitbread Round the World Race in 1989. Tracy's dream was opposed on all sides: her male competitors thought an all-women crew would never make it, the chauvinistic yachting press took bets on her failure, and potential sponsors rejected her, fearing they would die at sea and generate bad publicity.

BEN IS BACK (15)

Follows the charming yet troubled Ben Burns (Hedges), who returns home to his unsuspecting family one fateful Christmas Eve. Ben's wary mother Holly Burns (Roberts) welcomes her beloved son's return, but soon learns he is still very much in harm's way. During the 24 hours that may change their lives forever, Holly must do everything in her power to avoid the family's downfall.

EVERYBODY KNOWS (Subtitled) (15)

The film follows Laura (Cruz) on her travels from Argentina to her small home town in Spain for her sister's wedding, bringing her two children along for the occasion. Amid the joyful reunion and festivities, the eldest daughter is abducted.

GREEN BOOK (12A)

Viggo Mortensen and Mahershala Ali star in Green Book. In his foray into powerfully dramatic work as a feature director, Peter Farrelly helms the film inspired by a true friendship that transcended race, class and the 1962 Mason-Dixon line.

THE AFTERMATH (15)

Set in postwar Germany in 1946, Rachael Morgan arrives in the ruins of Hamburg in the bitter winter, to be reunited with her husband Lewis, a British colonel charged with rebuilding the shattered city. But as they set off for their new home, Rachael is stunned to discover that Lewis has made an unexpected decision: They will be sharing the grand house with its previous owners, a German widower and his troubled daughter.

BOHEMIAN RHAPSODY (12A)

Bohemian Rhapsody is a foot-stomping celebration of Queen, their music and their extraordinary lead singer Freddie Mercury, who defied stereotypes and shattered convention to become one of the most beloved entertainers on the planet. The film traces the meteoric rise of the band through their iconic songs and revolutionary sound, their near-implosion as Mercury's lifestyle spirals out of control, and their triumphant reunion on the eve of Live Aid.

THE LEGO MOVIE 2: THE SECOND PART (U)

The much-anticipated sequel to the critically acclaimed, global box office phenomenon that started it all, "The LEGO Movie 2: The Second Part," reunites the heroes of Bricksburg in an all new action-packed adventure to save their beloved city.

HOW TO TRAIN YOUR DRAGON. THE HIDDEN WORLD (PG)

What began as an unlikely friendship between an adolescent Viking and a fearsome Night Fury dragon has become an epic trilogy spanning their lives. In this next chapter, Hiccup and Toothless will finally discover their true destinies: the village chief as ruler of Berk alongside Astrid, and the dragon as leader of his own kind.
