ROCKETMAN (15)

ROCKETMAN is an epic musical fantasy about the incredible human story of Elton John's breakthrough years. The film follows the fantastical journey of transformation from shy piano prodigy Reginald Dwight into international superstar Elton John. This inspirational story – set to Elton John's most beloved songs and performed by star Taron Egerton – tells the universally relatable story of how a small-town boy became one of the most iconic figures in pop culture. ROCKETMAN also stars Jamie Bell as Elton's longtime lyricist and writing partner Bernie Taupin, Richard Madden as Elton's first manager, John Reid, and Bryce Dallas Howard as Elton's mother Sheila Farebrother.

THE SECRET LIFE OF PETS 2 (U)

The Secret Life of Pets 2 will follow summer 2016's blockbuster about the lives our pets lead after we leave for work or school each day. Illumination founder and CEO Chris Meledandri and his longtime collaborator Janet Healy will produce the sequel to the comedy that had the best opening ever for an original film, animated or otherwise.

ALADDIN (PG)

"Aladdin" is the exciting tale of the charming street rat Aladdin, the courageous and self-determined Princess Jasmine and the Genie who may be the key to their future. Directed by Guy Ritchie, who brings his singular flair for fast-paced, visceral action to the fictitious port city of Agrabah, the film is written by John August and Guy Ritchie based on Disney's "Aladdin."

POKEMON, DETECTIVE PIKACHU (PG)

The world of Pokémon comes to life!

The first-ever live-action Pokémon movie, "POKÉMON Detective Pikachu" stars Ryan Reynolds as the titular character in the first-ever live-action movie based on the iconic face of the global Pokémon brand—one of the world's most popular, multi-generation entertainment properties and most successful media franchises of all time.

Fans everywhere can now experience Pikachu on the big screen as never before, as a talking detective Pikachu, a Pokémon like no other. The film also showcases a wide array of beloved Pokémon characters, each with its own unique abilities and personality.

AMAZING GRACE (U)

In 1971, Aretha Franklin, the undisputed Queen of Soul, brought producer Jerry Wexler, her backup singers, and the legendary Atlantic Records rhythm section to The New Temple Missionary Baptist Church in Los Angeles to record an album of gospel music before an enthusiastic live audience. The result, "Amazing Grace", went on to become one of the biggest albums of Aretha Franklin's career and one of her most beloved works. But even as the album gained fans around the world, few realized that those inspirational sessions had not only been recorded, they had been filmed by a camera crew led by Oscar winning filmmaker Sydney Pollack.

THE CORRUPTED (18)

Beneath the blinding lights and towering sights of the newly-built East London skyline, lies a dark, dangerous web of corruption. Stratford was home to the Olympic Games; decorated in the notion of legacy. But there's little hope to be found for the recently released Liam McDonagh (Sam Claflin), a talented boxer put away for armed robbery, who wants nothing more than a peaceful life, and to reconnect with his young son Archie. But his brother Sean (Joe Claflin) is in deep, caught up in property developer Clifford Cullen's (Timothy Spall) violent, unforgiving circle, with no route out.

JOHN WICK: CHAPTER 3, PARABELLUM (15)

In John Wick, he came back to seek revenge. In John Wick: Chapter 2, he was forced to repay a debt. And now, after grossing a combined total of nearly \$300 million at the worldwide box office, The Boogeyman returns for JOHN WICK: CHAPTER 3 – PARABELLUM.

AVENGERS, ENDGAME (12A)

The grave course of events set in motion by Thanos that wiped out half the universe and fractured the Avengers ranks compels the remaining Avengers to take one final stand in Marvel Studios' grand conclusion to twenty-two films,

"Avengers: Endgame."
