**LATE NIGHT (15)**

Katherine Newbury (Emma Thompson) is a pioneer and legendary host on the late-night talk-show circuit. When she's accused of being a "woman who hates women," she puts affirmative action on the to-do list, and—presto!—Molly (Mindy Kaling) is hired as the one woman in Katherine's all-male writers' room. But Molly might be too little too late, as the formidable Katherine also faces the reality of low ratings and a network that wants to replace her. Molly, wanting to prove she's not simply a diversity hire who's disrupting the comfort of the brotherhood, is determined to help Katherine by revitalizing her show and career—and possibly effect even bigger change at the same time.

**X-MEN: DARK PHOENIX (12A)**

This is the story of one of the X-Men's most beloved characters, Jean Grey, as she evolves into the iconic DARK PHOENIX. During a life-threatening rescue mission in space, Jean is hit by a cosmic force that transforms her into one of the most powerful mutants of all. Wrestling with this increasingly unstable power as well as her own personal demons, Jean spirals out of control, tearing the X-Men family apart and threatening to destroy the very fabric of our planet. The film is the most intense and emotional X-Men movie ever made. It is the culmination of 20 years of X-Men movies, as the family of mutants that we've come to know and love must face their most devastating enemy yet -- one of their own.

**GLORIA BELL (15)**

Gloria (Julianne Moore) is a free-spirited divorcée who spends her days at a straight-laced office job and her nights on the dance floor, joyfully letting loose at clubs around Los Angeles. After meeting Arnold (John Turturro) on a night out, she finds herself thrust into an unexpected new romance, filled with both the joys of budding love and the complications of dating, identity, and family. From Academy Award winning director Sebastian Lelio (A FANTASTIC WOMAN, DISOBEDIENCE) comes a sophisticated romantic comedy that shows love can strike at any time, relationships are never simple, and nothing can get you down as long as you keep dancing.

**KIND HEARTS AND CORONETS (U)**

**70th Anniversary**

A distant poor relative of the Duke of D'Ascoyne plots to inherit the title by murdering the eight other heirs who stand ahead of him in the line of succession.

**GODZILLA: KING OF THE MONSTERS (12A)**

The new story follows the heroic efforts of the cryptozoological agency Monarch as its members face off against a battery of god sized monsters, including the mighty Godzilla, who collides with Mothra, Rodan, and his ultimate nemesis, the three headed King Ghidorah. When these ancient superspecies, thought to be mere myths, rise again, they all vie for supremacy, leaving humanity's very existence hanging in the balance.

**ROCKETMAN (15)**

ROCKETMAN is an epic musical fantasy about the incredible human story of Elton John's breakthrough years. The film follows the fantastical journey of transformation from shy piano prodigy Reginald Dwight into international superstar Elton John. This inspirational story – set to Elton John's most beloved songs and performed by star Taron Egerton – tells the universally relatable story of how a small-town boy became one of the most iconic figures in pop culture. ROCKETMAN also stars Jamie Bell as Elton's longtime lyricist and writing partner Bernie Taupin, Richard Madden as Elton's first manager, John Reid, and Bryce Dallas Howard as Elton's mother Sheila Farebrother.

**THE SECRET LIFE OF PETS 2 (U)**

The Secret Life of Pets 2 will follow summer 2016's blockbuster about the lives our pets lead after we leave for work or school each day. Illumination founder and CEO Chris Meledandri and his longtime collaborator Janet Healy will produce the sequel to the comedy that had the best opening ever for an original film, animated or otherwise.

**ALADDIN (PG)**

"Aladdin" is the exciting tale of the charming street rat Aladdin, the courageous and self-determined Princess Jasmine and the Genie who may be the key to their future. Directed by Guy Ritchie, who brings his singular flair for fast-paced, visceral action to the fictitious port city of Agrabah, the film is written by John August and Guy Ritchie based on Disney's "Aladdin."
